

RISK ACKNOWLEDGEMENT

I understand that paddlesport and associated club activities take place in a dynamic outdoor environment and carry inherent risks, including (but not limited to) cold water immersion, capsizing, collision, slips and trips, and the risk of serious injury or death.

I acknowledge that the club and its coaches/leaders/officials will take all reasonable steps to minimise these risks through appropriate planning, risk assessment, equipment and supervision, but that they cannot be completely eliminated.

By taking part, I agree to:

- Follow all safety instructions and club rules
- Wear appropriate safety equipment as directed (including a buoyancy aid)
- Inform the organiser/leader of any medical conditions or injuries that may affect my participation
- Take reasonable responsibility for my own safety and the safety of others

I confirm that I have considered the information provided about the activities, understand the nature of the risks involved, and voluntarily accept those risks.
